SAFE

Join your neighbors in
Safety Awareness For Everyone.
The Citizen's Safety Project
to reduce neighborhood crime.

Last year the crime rate in San Francisco
rose almost 23%.

Now you have a chance to do something
about it—to reduce crime right in your own
neighborhood. How? By participating in
SAFE (Safety Awareness For Everyone).

SAFE gets you and your neighbors together
with experts in the field, so you can work
against problems like muggings and burglaries.
You'll find out how to safeguard yourself
and your family, your residence, Your car.
You and your neighbors will learn how to
watch out for each other.

When your block coordinator calls you, listen
to what he or she has to say. Then attend
your local meeting. It may be one of the most
important in your life.

If you want to get started immediately—
or want more information—call this number
today: 474-7318.
